Over 50 Years of Tradition

1968	1969	1978	1998	2000	2005	2020	2021	2023	TODAY
After 65 years of educating students at Lutheran High School and Milwaukee Lutheran High School, Martin Luther High School was established to serve students in the Greendale area.	The sports fields were finalized and students were invited to participate on 4 athletic teams: football, basketball, wrestling and cheerleading.	Enrollment hit 500 students with 13 athletic teams, 8 vocal and instrumental groups, and 2 annual theater productions.	The football field was rededicated as Gene Schneider Field, in honor of an original Martin Luther teacher, athletic director, and football coach.	The International Program was founded to open the doors at Martin Luther to students from all over the world.	The press box and bleachers at Gene Schneider Field were completed, increasing the seating capacity tenfold.	In response to the growing number of international students attending Martin Luther, a dorm was built to house up to 72 students from around the world.	The Student Center was created as a space for students to study and connect with others throughout the day.	All time high enrollment with 26 AP and dual credit courses, 22 athletics teams, and 16 band, choral and theater offerings.	Embarking on the first major, campus-wide capital campaign to position Martin Luther for the future.

“I love Martin Luther because I am surrounded by coaches and teachers who support me in everything I do.”

THE VISION

To provide exceptional experiences for every student,
Martin Luther High School is
FORGING A VISION
for the future,
ensuring all students are
WORLD READY.

THIS VISION IS FORGED THROUGH:

- 1 Advancement of premier academic programming to bolster students to reach their fullest potential
- 2 High caliber athletic facilities to advance student success
- 3 Fine Arts Center renovations to create an intimate black box theater

HONORS ACADEMY

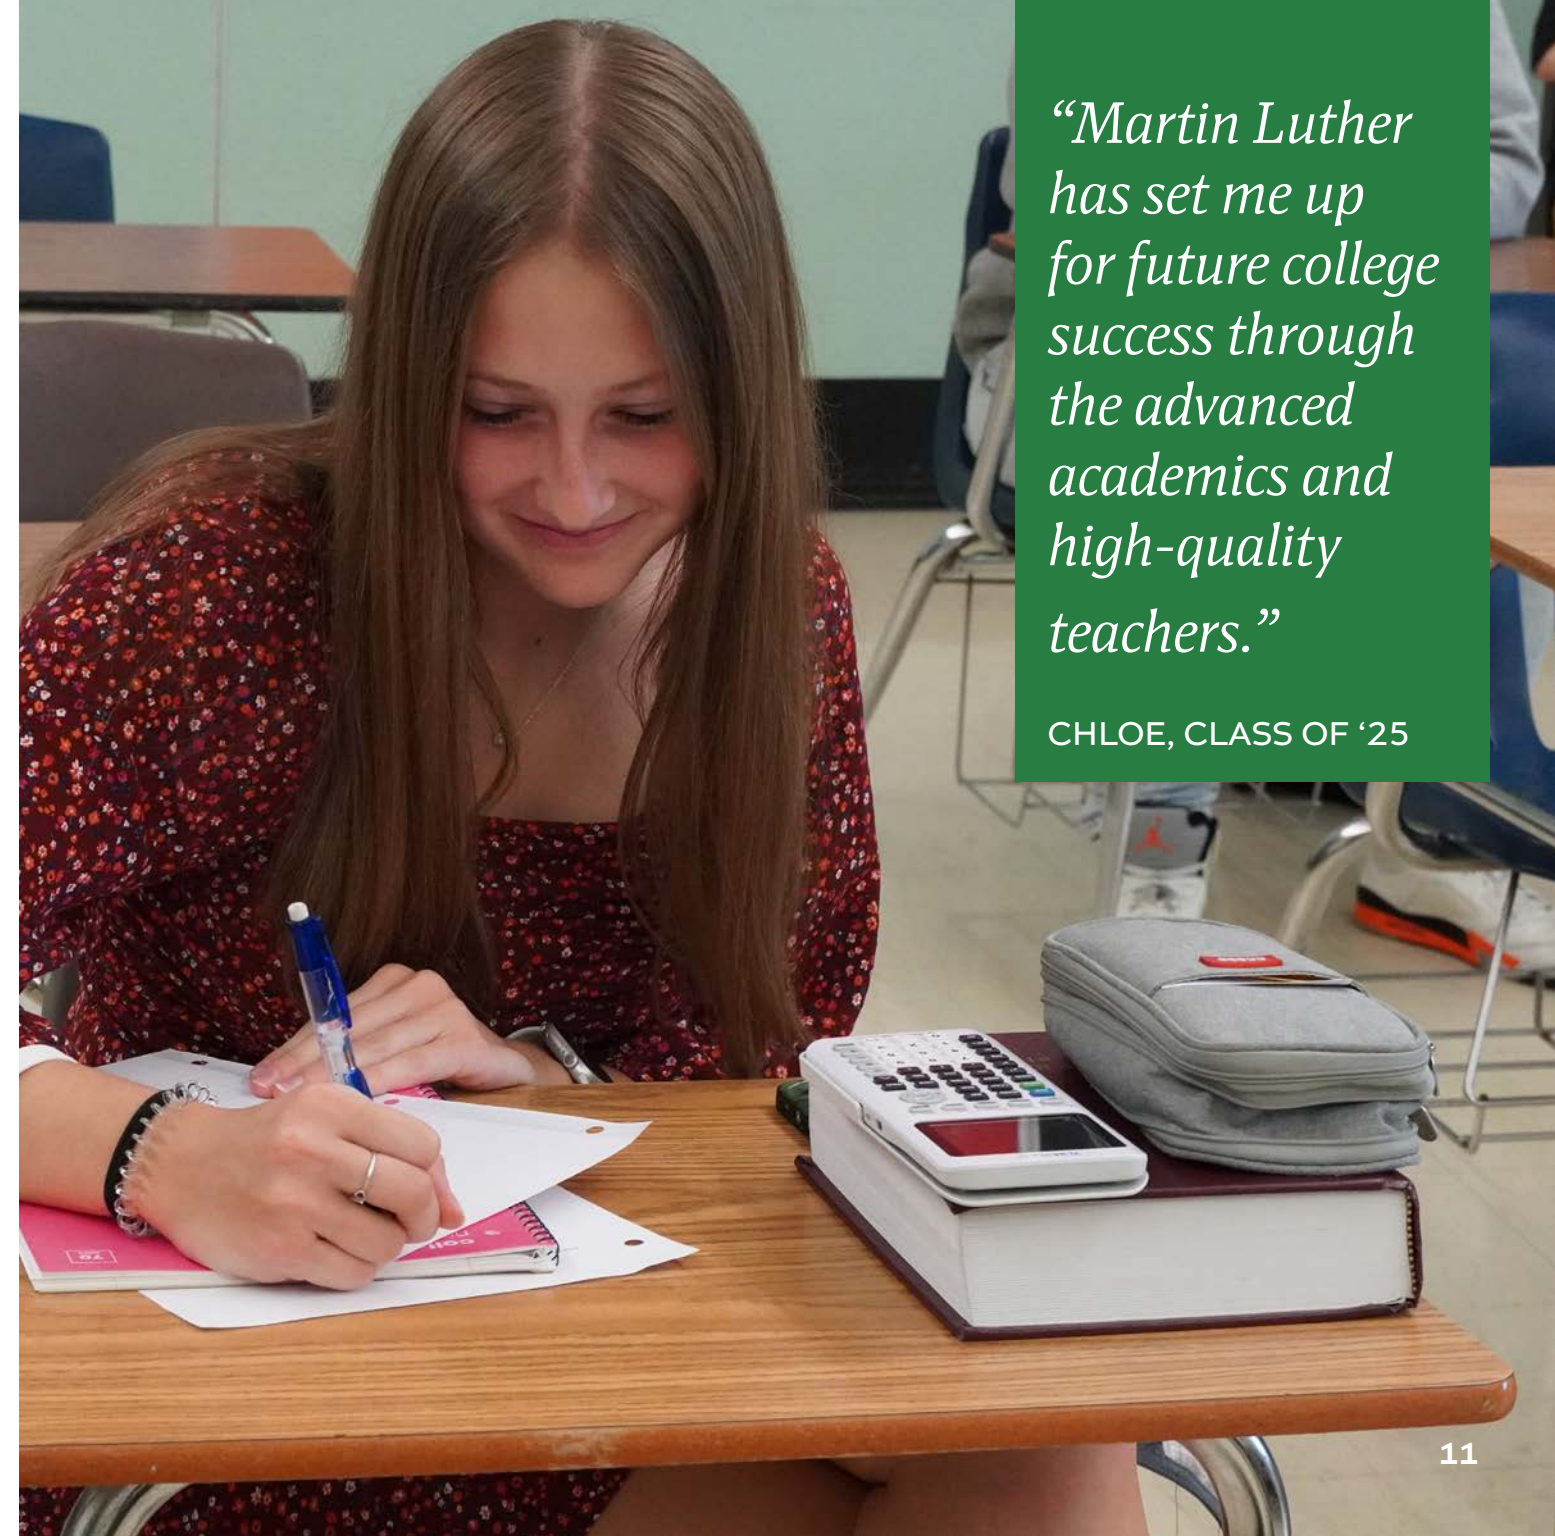

The Honors Academy at Martin Luther enhances the high school academic experience for its students.

Inspired by the rich academic foundation laid by Spartan alumni, the Honors Academy creates space for academic experiences and expectations beyond those required of all Martin Luther students.

The Martin Luther College Prep curriculum is a robust program designed to support every student. With 26 available AP and dual-credit courses, along with a dedicated staff focused on building relationships and fostering educational exploration, students are empowered to set and achieve individualized goals. The Honors Academy, however, goes further, challenging students to reach their maximum academic potential.

DURING THEIR HIGH SCHOOL JOURNEY, HONORS ACADEMY STUDENTS WILL:

- Complete a minimum of 10 honors or AP level courses
- Explore 12 prestigious universities through annual, guided tours
- Engage in a thought-provoking monthly leadership lecture series
- Hone oratory and debating skills
- Experience top-tier theater productions annually
- Complete four years of comprehensive ACT preparation
- Receive personalized college application and essay-writing coaching
- Identify and apply to best-fit colleges, including at least one top 50 university

“Martin Luther has set me up for future college success through the advanced academics and high-quality teachers.”

STATE-OF-THE-ART TRACK

A renewed track surface builds more than a safe, effective platform for our student athletes. It restores a long history of hosting the Spartan Invitational, conference meets, and regional events. Relocating and adding field event competition spaces allows us to host a complete meet at Martin Luther, generating revenue and school spirit.

ATHLETIC COMPLEX PATHWAYS

ALL-WEATHER TEAM PRACTICE SPACE

ATHLETIC COMPLEX

ML aims to advance student success with high-caliber athletic facilities.

FOOTBALL, SOCCER, TRACK & FIELD

TURF FIELD

Capturing the commitment to excellence in all programming, a turf field elevates the athletic experience for multiple sports and a vast majority of students. A turf field allows all outdoor sports to practice safely with minimal weather limitations, and its durability permits a high frequency of competition. This visibly improved field ensures our athletes have the foundation to grow, thrive, and succeed—at Martin Luther.

OUTDOOR PHYSICAL EDUCATION SPACE

SCOREBOARD, SOUND SYSTEM, LED LIGHTS

FINE ARTS CENTER

An upgraded, black box theater space generates a world of possibilities.

Restructuring the Fine Arts Center offers endless opportunities to embrace and capture the spirit, talent, and strength of the past... inspiring current and future generations to explore talents, intellect, and dreams. Also used for seminars and lectures, this interactive, versatile space will be a hub of learning and exploration for the entire student body. The Fine Arts Center invites the Martin Luther community to open minds, build futures, and share God-given talents... all in an innovative, intimate space that generates and showcases creativity.

“ML Fine Arts has helped me grow in my faith and given me a great community to express myself to.”

LIVES FOREVER CHANGED

Providing an exceptional experience goes beyond having the best team, classroom, program, or field. It is about giving students the opportunities to grow their God-given gifts and talents in all areas of their development, spiritual growth, academics, athletics, and the arts. Most importantly, it's about investing in their future. At Martin Luther High School, we believe that everything we do has the potential to make a life-long impact on our students, shaping their lives forever.

The Lives Forever Changed Campaign is our strategic response to addressing the most pressing needs of our school. Through this campaign, we aim to fund the gap, ensure long-term sustainability, and invest in our programs and facilities. With your support, we will transform these goals into reality, leaving a lasting legacy for generations to come.

JOCELYN'S STORY

In elementary and middle school, Jocelyn Provost was reserved and shy. The child of a first-generation immigrant, she grew up with minimal talk of religion or Jesus. She confided, “I didn’t know who I was.”

After touring multiple options for high school, Jocelyn heard about Martin Luther and immediately felt she needed to see what the school was about. “I know now that God was telling me, ‘This is where you need to be, Jocelyn.’”

Walking into the first day of school, Jocelyn didn’t know anyone but was struck by how happy and friendly the staff and students were. She’d never experienced a place where everyone was so excited to talk to her and show her around.

During the first two years at ML, Jocelyn kept to herself and didn’t get involved much, but everything changed during junior year when she decided to join tennis. “That’s where I made the biggest progress in my faith journey.” She met many new friends who opened her up to the idea that God is real. “I saw this thing in them that I call the ‘Jesus Glow.’ It’s seeing someone so happy and peaceful. You could see that they had a sense of purpose. They knew who they were, and I wanted that for myself.”

Jocelyn wanted to know what her friends knew, learn what they were learning, and apply it to her life. She started listening intently in chapel, reading her Bible, and reflecting on what she read. “I started to feel a sense of peace compared to the anxiety I always felt. I felt what I now know is love.”

One evening, she was praying in her room at home and remembers saying, “Jesus, I surrender my life to you, and the rest of it is your will.” Afterward, Jocelyn described feeling a sense of relief, like a weight was lifted off her shoulders, and she could breathe again.

“I learn something new about God every day at Martin Luther. I feel that ML has set me up with a great foundation for my faith, and I hope it continues growing every day! I was meant to be here, and I’m so grateful I came to Martin Luther.”
